

Cyprus is regarded as the Island of Aphrodite (Venus) and for an island that is so endowed with beauty there could hardly be a more appropriate symbol. Cypriot cooking seems to be a happy marriage of Greek, Lebanese, Syrian with unmistakable accents that make it Cypriot, such as spices, seeds, grains, coriander, burghul and haloumi.

Like many other European, Mediterranean and Middle Eastern countries, our menu is designed to be shared.

Na Xekinisoume - Lets Begin

olives (gf, vg)	9
